substantial improvements in market access with elimination of export subsidies and reduction in trade distorting support. India and many developing country Members, however, favour minimal tariff reductions by developing countries. In the negotiations held so far, there has been no convergence of views among Members of the WTO on many key issues.

Charges fixed by CGHS

*117. SHRI N.R. DASARI:
SHRI GAYA SINGH:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to, state:

(a) whether it is a fact that the charges fixed for surgery and other treatments by CGHS for its approved hospitals vary in different cities;

(b) if so, the criteria adopted for fixing the charges;

(c) whether Government are aware that some hospitals charge more than the approved charges from the CGHS beneficiaries; and

(d) if so, the details thereof and Government's reaction thereto?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRIMATI SUSHMA SWARAJ): (a) to (d) Yes, Sir. The Government has approved ceiling rates for various medical procedures/tests/investigations to enable CGHS beneficiaries avail treatment in private recognized hospitals. The ceiling rates approved for a particular medical procedure/test/investigation vary from one CGHS city to another.

The ceiling rates have been fixed by the Government after taking into account the rates for various medical procedures/tests/investigations fixed by the Government in 1996-97 as base and thereafter suitably enhancing the rate so as to reflect the rise in the cost of medical treatment in the subsequent years.

Each of the private hospitals/diagnostic centers recognized under CGHS have signed a Memorandum of Agreement (MoA) with Director, CGHS. The MOA binds these hospitals/daignostic centers not to charge more than the approved ceiling rates from the CGHS beneficiaries. Monitoring to ensure compliance is done by the CGHS.
